

# NAM Vital Directions for Health and Health Care Symposium: The North Carolina Experience

**Victor J Dzau, MD**

President, National Academy of Medicine

November 21, 2019

# U.S. National Academy of Sciences (1863)

*“The Academy shall, whenever called upon by any department of the government,*

Unfortunately, **access** to health care services is severely limited:

**Quality** is an enduring challenge

# Vital Directions for Health and Health Care

## ACTION PRIORITIES

- Pay for value
- Empower people
- Activate communities
- Connect care

## ESSENTIAL INFRASTRUCTURE NEEDS

- Measure what matters most
- Modernize skills
- Accelerate real-world evidence
- Advance science

# North Carolina: The New Frontier For Health Care Transformation

Mark B. McClellan, Mathew A. ...pinga, Robert S. ...iders

FEBRUARY 7, 2019
